

Requirements for research papers and publications in the periodical “Bulletin of Don State Agrarian University”

The editors consider only those materials that fully comply with the requirements indicated below.

The editors do not consider “incomplete” materials.

1. Submitted papers must contain the results of scientific research ready for use in the practical work of agricultural specialists or be of educational interest to them.

2. The paper including appendices should be 5-15 pages long. Font size - 14, spacing - 1.0, typeface - Times New Roman, margins (top, bottom, right, left) 20 mm, intended line - 1.25, sheet orientation – portrait.

3. Tables are presented in Word format. Formulas - in the standard Word formula editor (Microsoft Equation 3.0), structural chemical formulas - in ISIS / Draw or scanned.

4. Graphic material (pictures, drawings, diagrams, photographs) is presented in the text of the paper (JPG, TIF, GIF formats with a resolution of at least 300 dpi) in black and white.

5. The units of measurement given in the paper must comply with State Standard (SS) 8.417-2002 State System for Ensuring Uniform Measurement “Units of quantities”.

6. Abbreviations of terms and expressions should be given in accordance with the rules of the Russian language and in cases other than normalized only after full meaning being mentioned in the text (e.g. lactate dehydrogenase (LDH)).

7. The list of sources used is drawn up in alphabetical order in accordance with the documents regulating bibliographic description:

- SS P 7.0.100-2018. Bibliographic entry. Bibliographic description. General requirements and compilation rules.

- SS 7.80-2000. Bibliographic entry. Heading. General requirements and compilation rules.

- SS 7.82-2001. Bibliographic entry. Bibliographic description of electronic resources. General requirements and compilation rules.

- SS P 7.0.12-2011. Bibliographic entry. Abbreviations in Russian. General requirements and rules.

- SS 7.11–78. Abbreviations in foreign European languages in bibliographic description.

8. The number of sources should 6-15.

9. The text must contain references to sources from the list. References in the text are made in square brackets indicating the number of the cited source in the list of references and cited pages.

10. Authors submit:

- **research paper in print** - 1 copy, without handwritten inserts, on one side of the standard sheet, signed on the back of the last sheet by all authors; **or**

- **electronic version is presented** on a flash drive or on a CD with the text of the paper in Word format; electronic version can also be addressed via e-mail: paf1@mail.ru

- **abstract** (Appendix 3).

11. The structure of the material submitted as a whole should look as follows:

- UDC;

- title (in Russian);

- authors' surnames and initials (in Russian);

- abstract and keywords (in Russian);

- title (in English);

- authors' surnames and initials (in English);

- abstract and keywords (in English);

- text of research paper;

- list of sources used (in Russian and English).

- information about authors (the number of authors should not exceed 5); (in Russian and English). In the information about authors academic degree, academic rank, place of work and position, e-mail and telephone number are provided.

12. The article should be relevant, define a scientific problem, describe one's own research finding and consist of the following sections: introduction; objective of the study; conditions; material and methods of the study; findings; conclusion.

13. Uniqueness of the paper when being checked by Antiplagiarism should be at least 80%.

14. Papers are not returned. The proof sheet is given to authors only for control, no editing being made.

*15. Materials sent in full by e-mail by agreement with the editorial **board must be duplicated** in paper (**research paper must be signed by the author**). It is possible to send scanned materials in paper.*
